

Photograph and Digital Media Release Form

From time to time we take photographic images (moving and still) of pupils, classes and events to enhance and illustrate our media applications to make them more accessible, and inspiring for our audiences.

By completing this form, you give us full permission to use these images and any personal information you supply to us in our media applications. (This may include our printed publications; adverts; audiovisual and electronic materials; media work; display materials; and any other media we may use in the future.) The images will not be used for any other purpose.

These permissions are valid for 3 years, when if not renewed, images will be removed from advertising or promotion as far as possible.

Thank you for your help.
